

The reunion committee welcomes you to the fifth WWF High School reunion and trust that you find it to be a pleasurable experience.

**Please have your individual picture taken as soon as possible and be near the front of the building when it is time for group pictures.**

We encourage you to take time to visit the memorabilia area in the library, located in the former elementary building. In various areas you will find alumni responses, excuses from years ago and a list of deceased classmates. If you have yearbooks or other memorabilia from your school days and want to donate them to us, we would be grateful to have them. Please let the registration people know of any address changes or updates for you or other former students. If you have questions as to where other former students are living now, make those inquiries at the registration area. Above all, please enjoy yourself and this brief journey into the past. It has been a unique experience for all that have worked together to organize this event and we are thankful for your attendance. **GO BISONS!**

There have been more than 2500 students who attended or graduated from the high school. The largest class graduation was 55 and the smallest was 13. Average graduating classes were 28.

The first reunion was held in 1988, the second in 1994, the third in 2000, and the fourth in 2005.

After all expenses are paid for the reunion, the residual funds will be donated to the Civic Center and the Library for maintenance and operation of the facilities.

It is our hope that you are reunited with many friends from the past.

*Oh Alma Mater strong and true  
To thee we lift our song in praise  
Green and white thy colors fly  
O Raise we then the joyous shout  
Hail to thee our school so dear  
And life to all our comrades here  
Worthington West Franklin High  
We'll praise thy name as years go by*
